

Bring back housing benefit for under 21 year olds and stop housing benefits cuts.

Introduce 100,000 social rented homes each year by 2022.

Increase public transport, especially in rural areas.

Significantly improve housing choice for D/deaf, disabled and older people. Green party will make all councils plan in their houses things to help people's needs and increase the numbers of homes built to lifetime home and mobility standards over the next 5 years.

**Wales**

**2017 Election.  
What You Need To Know  
Thanks to Katy Recina.**

Get rid of the bedroom tax.

Create over 1 million green (environmentally friendly) jobs.

**Jobs**

Increase the minimum wage to £10.00 per hour by 2020.

Bring in a 4 day working week and get rid of zero hours contracts.

Defend the Human Rights Act and UK membership of the European Convention on Human Rights

Guarantee the rights of UK citizens living in the EU and EU nationals living in the UK.

Make sure benefits are fair and that the system gives everyone confidence they will get support when they need it, including disabled people.

Bring back an organisation – “commission” – to look at Equality and Human Rights. This will especially help with Green’s promise to tackle racism and discrimination on the basis of faith or disability or sexuality.

**Rights and Equalities**

**What the Green Party say on...**

**Disability**

Ensure that every child with Special Educational Needs or Disability has access to a mainstream education.

Make all public transport fully accessible and step-free and eventually have free local public transport for young people, students, people with disabilities, and older people.

Invest in social care

**Health and Care**

Ensure health and dental services remain free.

Bring mental health care in line with physical health care and ensure people experiencing mental health problems are supported close to their home and the people that help them.
