

Will build 300,000 new homes a year, plus half a million affordable, energy-efficient homes.

Will work with local councils to make more social and affordable housing in rural areas.

Homes

Will try to make longer tenancies of three years or more.

Will make a new Rent to Own model where tenants start to own part of their house as they pay rent, owning it outright after 30 years.

2017 Election.
What You Need To Know
Thanks to Katy Recina.

Wales

Look at giving Wales more money.

Will give more powers to Wales and give Wales its own legal system

Will increase community policing in England and Wales by giving an extra £300 million a year to local police forces.

What the Liberal Democrats say on...

Set a real living wage across all jobs.

Jobs

Expand the Access to Work programme for people with disabilities.

What the Liberal Democrats say on...

Rights and Equalities

Will defend Human Rights and will fight to keep the Human Rights Act and European Convention on Human Rights.

Will also strengthen the UK's commitment to international human rights law.

The LibDems will campaign to reduce intolerance, including anti-Semitism, and hate crimes.

Review the Equality and Human Rights Commission to see if it is working properly and if it needs more money.

Will give more funding for criminal legal aid.

Disability

Promises to make public places and transport wheelchair accessible, and to improve blue badges, setting up a standard for taxis and private hire vehicles.

Will raise the amount people can earn before they lose their Carer's Allowance.

You will be able to earn up to £150 a week and keep your Carer's Allowance.

Put a cap on the cost of social care. This means you only have to pay to a maximum amount

Health and Care

Will make sure you only wait 6 weeks for therapy for depression or anxiety and only two weeks for young people of they have a real problem.

Will put a 1p rise on Income Tax to raise £6bn in additional revenue for the NHS.

Will look at the rules on prescription charges to make sure they are fair to those with long-term conditions and disabilities.

Will look to develop a tax for health and care.
