

All Wales People First

Self-advocacy for people with learning disabilities in Wales.

Do you have a learning disability?

Do you live in a care home?

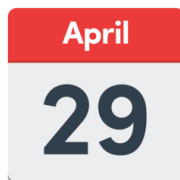

Would you like to talk to other people who live in care homes in Wales?

We're starting a new self-advocacy group.

In the group you will

- Get to know new people
- Learn what the law says about your life
- Talk to other people about their lives

We will meet on **Zoom** every **Thursday** at **11am**.

The first meeting is on Thursday 29th April 2021

To join the group or find out more, contact Tracey
